Time Keepers

are always needed! Don't be shy to offer your help—we never have enough and are more than happy to train *first timers*. It is especially important to have help at Swim Meets. Club Nights are a good opportunity to learn—just volunteer!

Notice Board

please remember to look at the notice board outside the club room. There are more details about up-coming Swim Meets and Events and applicable closing dates for these.

Club Registration will be held during 18 June Club Night

At the AGM it was decided the club fees would be increased to include Club Night charges:

- Non-Competitive Member—\$30.00
- Competitive Member—\$100.00

Please note that to compete in the Taupo Xcelerate Meet in events longer than 50m, you will need to be a competitive swimmer registered with BOP Swimming for the 2009/2010 season.

Next Club Night is 18 June

CLUB NIGHT UPDATES:

- There is no longer an entry fee for club members to attend club nights.
- Non-members need to pay \$2 to participate.
- There will no longer be sausages and drinks for sale after club nights.
- Splashes cafe have offered to remain open for club nights (they usually close at 6pm). Would it be worth while for them to stay open? Please give feed back to Lynelle regarding this.

Prize Giving was a fantastic night for all who attended! Thank you to the Irvine family and helpers for organising such a great evening.
